

### III CODE & IMSAS AWARENESS

Azimuth Nautical Solutions provides a 1-day III Code & IMSAS Awareness course, which is relevant for those who need to understand the requirements and responsibilities for compliance with the IMO Instruments Implementation (III) Code and the IMO Member States Audit Scheme (IMSAS).

The course is aimed at governmental agency and Flag State personnel involved in III Code & IMSAS activities, as well as company managers and other senior industry staff who would benefit from a broader understanding of these IMO resolutions. The course can be delivered at your premises or at any other suitable location worldwide.

The course covers the following key topic areas:

- Overview of IMO Instruments implementation (III) Code
- III Code – Parts 1 to 4 (Common Areas, Flag States, Coastal States, Port States)
- Overview of IMO Member States Audit Scheme (IMSAS)
- IMSAS Framework & Procedures
- Flag State Performance Table
- Marine Casualty Investigation – Purpose & Key Principles

#### COURSE OBJECTIVES

- Understand the rights and responsibilities of maritime administrations under the III Code
- Understand the associated actions of Flag, Port and Coastal States
- Understand their influence on ship operations
- Improve communications with these authorities
- Familiarisation with the IMO Member State Audit Scheme (IMSAS), its framework and procedures
- Familiarisation with the purpose and key principles for Marine Casualty Investigation

Azimuth Nautical Solutions Ltd. specialises in compliance-related consultancy services and maritime training courses for the shipping, superyacht and ports sectors. Our portfolio includes ISM/ISPS audits, SMS development and project management services, as well as courses in ISM safety management, ISPS security management and maritime management.

All of our trainers are experts in their respective fields, with many years of experience in the maritime sector; at sea, as surveyors / inspectors and in senior roles ashore. Azimuth can provide tailored courses to help improve safety, security and overall compliance. We currently provide training solutions to Flag State administrations, shipping companies, seafarers, legal and insurance firms and other maritime sectors.
