

MLC AWARENESS COURSE

Azimuth Nautical Solutions offers a Maritime Labour Convention Awareness course over 1 or 2-days (*depending on company requirements*), which provides greater awareness of the Maritime Labour Convention's (MLC) requirements.

This course is aimed at company managers, Designated Persons Ashore (DPAs), superintendents, auditors, regulators and all those who inspect ships. Masters and Senior Engineers will also benefit.

The course can be delivered at company premises or another agreed location globally.

COURSE OBJECTIVES

- To understand the context of the Maritime Labour Convention
- To understand the articles, regulations, standards and guidance and what it actually means
- To understand the inspection system and certification under MLC
- To identify common and not-so-common mistakes
- To reduce the risk of deficiencies, detentions, fines or other enforcement sanctions
- To be able to protect themselves and the company on every ship visit

COURSE BENEFITS

- Acquiring the skills needed to conduct internal and external audits and inspections, and be able to act upon the findings
- Being able to provide meaningful and targeted training for MLC compliance
- Gaining the ability to provide specific and targeted focus on how the requirements affect your fleet
- Being capable to verify compliance through appropriate physical inspection, operational tests and document analysis

Azimuth Nautical Solutions Ltd. specialises in compliance-related consultancy services and maritime training courses for the shipping, superyacht and ports sectors. Our portfolio includes ISM/ISPS audits, SMS development and project management services, as well as courses in ISM safety management, ISPS security management and maritime management.

All of our trainers are experts in their respective fields, with many years of experience in the maritime sector; at sea, as surveyors / inspectors and in senior roles ashore. Azimuth can provide tailored courses to help improve safety, security and overall compliance. We currently provide training solutions to Flag State administrations, shipping companies, seafarers, legal and insurance firms and other maritime sectors.
